RE: Sunbury Generation LP-Ash Basin Closure Project

Dear Mr. Griegel:

The Pennsylvania Department of Environmental Protection (Department) received your letter, dated April 12, 2018, requesting an extension to the closure timeframes established by Section 257.100 of the EPA's Standards for the Disposal of Coal Combustion Residuals in Landfills and Surface Impoundments, 40 CFR § 257.100(e) (relating to inactive surface impoundments). In accordance with 40 CFR § 257.102(f)(2)(i) (relating to extensions of closure timeframes), by this letter, the Department approves your request to extend the closure timeline until August 31, 2018, for the Sunbury Generation LP ash basin impoundment.

Please be reminded as you proceed with the closure of the above referenced facility that closure activities must comply with 40 CFR 257.100 and 257.102. If you have questions or require additional information, please contact me by phone at 717.783.2630, or by email at: [altarquino@pa.gov](mailto:altarquino@pa.gov). Alternatively, contact Patrick Brennan by phone at 570.327.3431, or by email at: [pbrennan@pa.gov](mailto:pbrennan@pa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Ali Tarquino Morris", is written over the word "Sincerely," and extends below the name.
